Pension Reform Bill Approved by Legislative Committee

On May 4, 2006, the Joint Committee on Public Service, chaired by Senator Patricia D. Jehlen and Representative Jay R. Kaufman, favorably reported a strong pension oversight and governance reform bill as a Committee bill. It includes many provisions proposed by PERAC. On a unanimous vote of the Committee members present, the Committee sent the bill forward in the legislative process, most likely to the House/Senate Ways and Means Committee, for further discussion and deliberation.
